

INTERNSHIP ANNOUNCEMENT

Title: Spring Internships

Schedule: Flexible, January through May, Monday – Friday

Reporting to: Program Director

Organizational Background

Founded over 45 years ago, the Interfaith Center on Corporate Responsibility (ICCR) is a pioneer coalition of over 300 socially responsible investors including faith-based communities, labor unions, and others who leverage their investments to hold corporations accountable for the social and environmental impacts of their operations. Our membership collectively represents over \$200 billion in invested capital.

ICCR members and staff engage hundreds of multinational corporations annually to promote more sustainable and just practices because we believe in doing so, companies will secure a better future for their employees, their customers, and their shareholders. We do this through on-going engagement and dialogue with corporate management on a range of social and environmental issues that impact communities in the U.S. and globally, as well as by filing shareholder proposals, which are publicly presented at companies' shareholder meetings.

Position Summary

ICCR is seeking candidates for an internship on human rights. ICCR is launching a new initiative, the Investor Alliance for Human Rights. The Intern will assist The Program Director – Investor Alliance for Human Rights - to establish a first of its kind network to coordinate broad-based investor advocacy on both public policy and corporate engagements on a range of human rights and labor rights issues by completing research and analysis, assisting in corporate dialogues and communications, and providing support to the ICCR team.

The internship period is scheduled to run from January through April.

Benefits for Intern
