

The Political Spending Disclosure Proposal 4 Deserves Shareholder Support

Knight-Swift Transportation (KNX) scored a dismal 0% out of a possible 100% score in the authoritative 2025 CPA-Zicklin Index of Corporate Political Disclosure and Accountability <<https://www.politicalaccountability.net/wp-content/uploads/2025/11/2025-CPA-Zicklin-Index.pdf>>

KNX does not disagree with its dismal 0% score out of a possible 100% score. KNX also failed to name one small step taken to improve its dismal 0% score although KNX received this proposal 5 months before the KNX annual meeting.

This Proposal 4 is a reasonable proposal because it won majority support at 5 major companies in 2025.
